

Public Notice

Workshops and Public Comment Period for the Stormwater Management Manual for Eastern Washington - Final Draft

The Eastern Washington Stormwater Management project team will be holding a second series of public workshops in June 2003. The purpose of these workshops is for the project team to explain how they responded to comments received on the first drafts of the Stormwater Management Manual for Eastern Washington and Model Municipal Stormwater Program for Eastern Washington. In addition, specific information on changes made in the FINAL DRAFT Stormwater Management Manual for Eastern Washington will be presented.

June 2003 Public Workshops

Each workshop will begin with a presentation, followed by an opportunity to ask questions and provide comments.
